

Hi,

We hope all is well. Presented below is our latest September Durian Projects Newsletter covering key news involving durian.

This month's newsletter features a number of new Musang King durian product launches across Malaysia and Singapore. 7-11 and Cadbury in particular have launched special edition Musang King durian mooncakes in celebration of this year's Mid-Autumn Festival. Singapore has become one of the world's most lucrative Musang King durian markets as is evident by the volume of new products being launched over the course of this year.

We wish you a pleasant month ahead.

Best Regards,  
Durian Projects Group
